AMENDED  
DECISION ON PETITION  
UNDER 37 CFR 1.137(b)

This is an **amended** decision on applicants' "Petition to Revive an Unintentionally Abandoned Application under 37 CFR 1.137(b)" filed 31 August 2001 in the above-captioned application. The petition to revive is hereby **GRANTED** as follows:

Applicants' statement that "[a]pplicants . . . unintentionally missed the response due date" coupled with the explanation set forth in the petition has been construed as meaning that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional." If this is an incorrect interpretation in view of the rules, Petitioner must immediately notify the PCT Legal Office of such error.

A review of the application file reveals that applicants have submitted the declaration and power of attorney and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being returned to the United States Designated/Elected Office for processing in accordance with this decision. **The 35 U.S.C. 371(c) date is 31 August 2001.**
